## 1. PURPOSE

The purpose of this policy is to provide written processes about –

- (a) how the school will respond to harm, or allegations of harm, to students under 18 years; and
- (b) the appropriate conduct of the school's staff and students to comply with accreditation requirements.

## 2. APPLICATION/SCOPE

This policy applies to students and employees, including full-time, part-time, permanent, fixed term and casual employees, as well as contractors, volunteers and people undertaking work experience or vocational placements at Y Schools Queensland and covers information about the reporting of harm and abuse.

## 3. POLICY STATEMENT

The school prioritises a safe environment for students in compliance with relevant national and state legislation. Our policies detail procedures for addressing reports of harm, inappropriate behaviour, and allegations of abuse, requiring all staff and volunteers to uphold high standards of conduct.

### 3.1 Health and Safety

The school has written processes in place to enable it to comply with the requirements of the Work Health and Safety Act 2011 (Qld) and the Working with Children (Risk Management and Screening) Act 2000 (Qld).

### 3.2 Responding to Reports of Harm

When the school receives any information alleging 'harm'<sup>1</sup> to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly so as to minimise any likely harm to the extent it reasonably can. Y Schools Queensland staff are expected to report and record any reports of harm (including psychological/emotional, neglect, grooming and exposure to domestic/family violence) using the internal Protecht incident report form and follow reporting procedures to any necessary external bodies such as Child Safety and Police. This is set out in the school's Child Risk Management Strategy. Information relating to physical or sexual abuse is handled under obligations to report set out in this policy<sup>2</sup>.

<sup>1</sup> Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(7): the definition of 'harm' for this regulation is the same as in section 9 of the Child Protection Act 1999 (Qld)

<sup>2</sup> Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(1)

<sup>3</sup> Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(1)

### 3.3 Conduct of Staff and Students

All staff, contractors and volunteers must ensure that their behaviour towards and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students<sup>3</sup>.

### 3.4 Reporting Inappropriate Behaviour

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to:

- **Head of Campus or Head of School; or**
- **Safeguarding Manager<sup>4</sup>**

### 3.5 Dealing with Report of Inappropriate Behaviour

A staff member who receives a report of inappropriate behaviour must report it to the principal and safeguarding. Staff will do this by recording details using the internal Protecht incident report form and following reporting procedures. Where the principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the school's governing body<sup>5</sup>. [safeguarding@ymcaqueensland.org.au](mailto:safeguarding@ymcaqueensland.org.au) and [HR@ymcaqueensland.org.au](mailto:HR@ymcaqueensland.org.au). Reports will be dealt with under the school's Compliments, Comments and Complaints Policy.

### 3.6 Reporting Sexual Abuse<sup>6</sup>

Section 366 of the *Education (General Provisions) Act 2006* states that if a staff member becomes aware, or reasonably suspects, in the course of their employment at the school, that any of the following has been sexually abused by another person:

- a) a student under 18 years attending the school;
- b) a kindergarten aged child registered in a kindergarten learning program at the school;
- c) a person with a disability who:
  - i. under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the school; and
  - ii. is not enrolled in the preparatory year at the school.

then the staff member must give a written report about the abuse or suspected abuse to the principal or to a director of the school's governing body immediately. Staff will do this by recording details using the internal Protecht incident report form and following reporting procedures.

The school's principal or the director must immediately give a copy of the report to a police officer. Additionally, the school's principal must notify [safeguarding@ymcaqueensland.org.au](mailto:safeguarding@ymcaqueensland.org.au) and ensure that the reporting procedures have been followed.

  - iii. the identity of anyone else who may have information about the abuse or suspected abuse<sup>7</sup>.

### 3.7 Reporting Likely Sexual Abuse <sup>8</sup>

Section 366A of the *Education (General Provisions) Act 2006* states that if a staff member reasonably suspects in the course of their employment at the school, that any of the following is likely to be sexually abused by another person:

- a) a student under 18 years attending the school;
- b) a kindergarten aged child registered in a kindergarten learning program at the school;
- c) a person with a disability who:
  - i. under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the school; and
  - ii. is not enrolled in the preparatory year at the school.

then the staff member must give a written report about the suspicion to the principal or to a director of the school's governing body immediately. Staff will do this by recording details using the internal Protecht incident report form and following reporting procedures.

The school's principal or the director must immediately give a copy of the report to a police officer. Additionally, the school's principal must notify [safeguarding@ymcaqueensland.org.au](mailto:safeguarding@ymcaqueensland.org.au) and ensure that the reporting procedures have been followed.

If the first person who reasonably suspects likely sexual abuse is the school's principal, the principal must give a written report about the suspicion to a police officer immediately and must also give a copy of the report to a director of the school's governing body immediately.

Additionally, the school's principal must notify [safeguarding@ymcaqueensland.org.au](mailto:safeguarding@ymcaqueensland.org.au) and ensure that the reporting procedures have been followed.

Failure to comply with this procedure by a member of the YMCA staff may also constitute a breach of individual responsibilities under the Criminal Code Act 1899 (Qld), and further enforcement may occur if appropriate.

### 5.1 Responsibilities under Criminal Code Act 1899 (Qld)

The Criminal Code Act 1899 includes two offences that pertain to the failure to report a child sexual offence and the failure to protect a child against a child sexual offence. A child sexual offence is an offence of a sexual nature by an adult against a child under 16 years or a person with an impairment of the mind.

Under section 229BC of the Code, all adults must report sexual offences against a child by another adult to police as soon as reasonably practicable after the belief is, or ought reasonably to have been, formed. This offence applies to all adults inclusive of students 18 years or older, as well as parents/guardians and volunteers at the school. A reasonable excuse not to make a report under the *Criminal Code Act 1899* includes that a report has already been made under the *Education (General Provisions) Act 2006* (reporting sexual abuse or likely sexual abuse) and the *Child Protection Act 1999* (reporting significant harm or risk of significant harm) as per this policy.

## 5.3 Failure to Protect<sup>20</sup>

Under section 229BB of the Code, all adults in positions of power or responsibility within institutions to reduce or remove the risk of child sexual offences being committed must take reasonable steps to protect children in their care from a child sexual offence.
